From The Pastor's Desk...

Easter Sunday is coming on April 8th. This is an excellent time to invite someone to church.

Almost everyone wants to be in Church somewhere on Easter Sunday, so why not here? Let them know that we are having a special Easter service and we would love to have them join us on this day.

Easter Sunday is the day we celebrate the resurrection of our

Lord Jesus Christ. The tomb is empty and He is alive.

Easter is a wonderful time for the entire family to be together in Church.

You only have a short time left and so you need to begin now planning what you are going to do for Easter.

April 24

Kay & Carl Elspeman

It was a very hot day when two men were digging a ditch in a major city. One man said to the other, "Why are we down in this hole digging a ditch when the boss is standing up there in the shade?"

"Man, I don't know," responded his friend. "I'll go ask him." So the worker climbed out of the ditch and went to his boss.

"Boss, why are we digging in the hot sun and you are standing here in the shade?" he asked. The boss replied, "Intelligence, son."

The worker replied, "What do you mean intelligence?" The boss said, "Well, I'll show you. I'll put my hand on this tree and I want you to hit it as hard as you can with your fist."

The rather slow digger took a mighty swing and the boss removed his hand and the ditch digger hit the tree. The boss said, "That's intelligence."

The ailing ditch digger went back to his hole seeing stars. His friend asked, "What did he say?" "He said we were down here digging because of intelligence," he replied.

"What's intelligence?" asked his friend. The ditch digger put his hand on his face and said, "Take your shovel and hit my hand."
