Vacation Bible School & Fun Fair

This year we are going to do something a bit different. August 15th-18th our VBS is going to run from Wednesday night through Friday night from 6:30pm to 8:30pm. On Saturday we are going to have a Fun Fair to wrap things up. During the three days of Bible School we will have a Story Time, Game Time, Craft Time & Refreshment Time. If you told us that you would help we really need your

help on these days

On Saturday we are going to have several booths set up where the kids can win prizes. Tickets will be given to all those who attend the VBS free of charge according to how many days they come. Anyone who comes to the Fun Fair who didn't attend the VBS will have to pay \$1.00 for 10 tickets. Anyone who attended the VBS will be able to purchase additional tickets

for half price at .50 for 10 tickets. If they attend everyday they should not need to purchase extra tickets.

We will need help in several areas and I trust you will help us out. We will also need one or more adults at each booth at the Fun Fair.

New Study Series on Wednesdays Nights

Beginning sometime in September I am going to take a break from the Character Studies and have a series that is titled "All About The Church". You won't want to miss this series as it is filled with information and valuable lessons that will help in understanding how the church operates and what we believe. We will cover everything from our text book, the Bible to Baptism and the Lord's Supper. I know you won't want to miss any of these valuable lessons.

I will be giving you more information about this in the very near future. As before these lessons will be presented using powerpoint and they will be filled with valuable information that you need to hear.

I have spent many years developing this study and I know that you will be blessed and so I want you to begin now making plans to be here each week to hear this important study series. I know God will use it to enrich your life.

Upcoming Revival

Our church will be hosting this year's revival. I hope you will make every effort to attend each night. Mark your calendar September 19-21. We will hear some outstanding preaching and singing as a full program is being planned for each night. Please support our church and association in this

revival and attend as many nights as you can.

If you want revival it needs to start in your life and I know that it can spread like wildfire if you will allow the Holy Spirit to move in your life. I am looking forward to see what God will do during this time of meetings.

Don't Give Up... Keep Inviting Folks To Church

I want to encourage each and every member of our church to do their part in inviting someone to come to church. I have personally invited many and I know that you will

get many who will say yes and then not come and others will turn you down flat. Don't give up. Keep inviting your friends and tell them about the ministries that our church

has. One of these times someone you invite will come and you will be totally excited. Please use the flyers that are in the back foyer. We need to get the word out!!!

A man was being tailgated by a stressed out woman on a busy boulevard.

Suddenly, the light turned yellow, just in front of him. He did the right thing, stopping at the crosswalk, even though he could have beaten the red light by accelerating through the intersection.

The tailgating woman was furious and honked her horn, screaming in frustration as she missed her chance to get through the intersection, dropping her cell phone and makeup.

As she was still in mid-rant, she heard a tap on her window and looked up into the face of a very serious police officer. The officer ordered her to exit her car with her hands up. He took her to the police station where she was searched, finger printed, photographed and placed in a holding cell.

After a couple of hours, a policeman approached the cell and opened the door. She was escorted back to the booking desk where the arresting officer was waiting with her personal effects.

He said, "I'm very sorry for this mistake. You see, I pulled up behind your car while you were blowing your horn, flipping off the guy in front of you, and cussing a blue streak at him. "I noticed the 'Choose Life' license plate holder, the 'What Would Jesus Do' bumper sticker, the 'Follow Me to Sunday-School' bumper sticker, and the chrome-plated Christian fish emblem on the trunk. Naturally. I assumed you had stolen the car."

Priceless
