NEW SIGN FUND --- Did You Forget?

I hope you didn't forget about our "**NEW SIGN FUND**". We haven't been saying much about it but we do want to remind you about it. When you see the thermometer not going up it means that we are not getting near our goal.

Envelopes are on the back table and we ask that you give as you are able. If you are not

able to give we ask that you pray and ask for God's provision in this matter.

Thank you so very much for all you have already done and we know that God is going to work a miracle in the coming months so keep praying and watching for His blessings.

THANKS AGAIN

Revival – September 17th-19th

This month our Alton Associational Revival will be held at Friendship GB Church. I am very concerned about the condition of our churches and I feel it is of the most importance that each and every person makes every effort to attend each night. This revival is only three days and I know that it will bless you and encourage you. If you miss any night you will be the one who misses out on the blessing.

God wants to do something in our churches

and I feel that this revival can be a turning point in our lives and in the lives of those in our association.

Please make every effort to encourage every one you know to be there every night. Just because it isn't at our church doesn't mean we ought not to go.

It shouldn't be a hardship for you to sacrifice a few hours out of your day to come and allow the Holy Spirit of God to speak to your heart. Time is running out.

I want to invite you to make a special effort to be here for this service. I would also like to ask you to make a special effort to find someone to come with you to this service. I know God wants to work a miracle in our church. It is my hope that you will begin praying that God will work a miracle for us.

If you want to see God do something great in our church you need to take action. Plan to bring someone and plan to pray for the services. Come expecting a blessing and prepare your heart to receive the message God wants you to hear. Believe that God can and will give the increase.

PRAY FOR POWER

Christian Cadet Club

Our club began a new season last month and we are facing a big challenge. Please pray for our young people and do what you can to promote our club.

If you are willing to help with refreshments for the

club one night please see one of our workers and see what we need. The Cadets really appreciate all that you do for them.

We have flyers available if you know of any one young person who might

be interested in attending. Please take some and pass them out to your friends and neighbors.

Also don't forget to pray as that is one of the most important things you can do for us!

Leadership Team

This past month I shared with you about the Leadership Team. I hope you have been praying about it. It is my prayer that we can put together a Leadership Team that will

lead us as we strive to grow for the glory of the Lord. If you feel you would be an asset to this team please speak to the Pastor. We are looking for TEAM MEMBERS that

will be willing to work together with the other team members in plotting out a plan to help our church grow and move forth into the future.

Laugh Of The Month

Gladys Dunn recently moved to a retirement community in a small town. One beautiful Sunday morning she walked to the church not far from her apartment.

She was in awe of the lovely structure, as well as music from the choir. She wasn't too impressed, however, with the sermon. She thought it was rather uninspiring, and as she looked around the church, she noticed many of the parishioners nodding off.

When the reverend finished he encouraged the congregation to greet those sitting next to them. Gladys turned toward the man on her left, who had fallen asleep and was stretching trying to wake up. He smiled at her, and Gladys returned the smile.

She politely offered her hand and said, "I'm Gladys Dunn." "You and me both!" the man replied.
